

Beacon of Faith

Worship God. Grow in faith. Offer hope.

Faith Lutheran Church and Preschool

June 2025

Welcome Statement

In response to God's unconditional love and grace, the people of Faith Lutheran Church seek to follow Jesus' commandment to love God, and to love our neighbor as ourselves. We express that love in our commitment to racial equity, and in our welcome of people of all ages, races, economic status, intellectual and physical abilities, sexual orientations, gender identities and expressions, along with their families and friends, to join with us as we worship God, grow in faith, and offer hope.

JUNE 8

The Day of Pentecost is June 8 this year. This is a festival of the church that falls on the 50th day of the Easter season. We will celebrate the arrival of the Holy Spirit to empower Jesus' followers for ministry and celebrate the church's mission in the world. Remember to wear red on the Day of Pentecost!

2025 High School Graduates

On June 8, during 10:30 a.m. worship, Faith's 2025 High School Graduates will be recognized during worship, and will be given a gift from the Prayer Shawl Team. The Kinship Café held between the worship services will be in their honor. We give thanks for:

Pastor's Pondering
Pastor Jean M. Hansen

JUNE??? It's time for the JUNE newsletter? Although May is just getting started as I write these words, I know that June will be here in a mere blink of the eye. That seems unreal to me; we celebrated Easter, right?

In theory, summer is less busy than the school year at the church, but in reality, it's a different type of busyness when a lot of planning, evaluating and organizing are done, along with seasonal activities including Mitzvah Day, Vacation Bible School, the Church Picnic, the PRIDE Festival and work in the Community Garden and on the church property, to name a few ways folks are occupied here at FLC. Additionally, people are on vacations, attending graduations and reunions, enjoying outdoor activities and tackling home and yard projects. There is a whole lot of activity happening!

While the weeks and days of summer may vary significantly, there is at least one constant. Each week we gather, usually at 9 a.m. and 10:30 a.m. to do what our Mission Statement proclaims: **Worship God. Grow in Faith. Offer Hope.** Our weekly gathering can be an anchor for our lives, a boost to our faith and a source of encouragement and empowerment for we who are the "body of Christ".

To be "the body of Christ" means we each have a place in the community we call the church and we each have something important to offer. I like the way pastor and author Kelly A. Fryer writes about this in the book, Reclaiming the "L" Word. "If we really are the body of Christ, that means we are the flesh and blood *thing* that Jesus is using to get stuff done. That's what bodies are for, right? We use our bodies to go places and to say things. We use our bodies to hug those who are sad and poke those who are lazy and vigorously shake hands with those who have done a really good job. We use our bodies to ACT."

All that "acting" on Jesus' behalf can be exciting, discouraging, exhausting, rejuvenating, clear-cut and confusing. One can be easily overwhelmed and tempted to take a break from being the "flesh and blood thing" for Jesus. But the more we share our experiences with our faith family, the more we learn about Jesus, the more we turn to God in prayer and praise, the more we are fed by the Word and at Jesus' table, the better we'll be at being Christ's body ... even in June, July and August.

It will be great to be a part of the community with you on Sundays this summer!

Faith Lutheran Committee Spotlight

Our congregation has two committees and a board that consist of members who are elected by the congregation at our annual meeting in November. Also elected at the annual meeting are Church Council members and Synod Assembly Voting Members. The **Nominating Committee** is the group that meets to discuss and submit names to the congregation for Church Council, Nominating Committee, Faith Endowment Committee and St. John/St. Paul Endowment Board and Synod Assembly Voting Members. Members who have a good knowledge of people in our congregation, good organization skills, the ability to follow through and the ability to respect confidentiality make excellent candidates for this committee.

As a member of the Nominating Committee, you would meet three or four times between August and November. It is a time commitment of no more than 4-5 hours per month for those three months. The term for the Nominating Committee is two years.

Members of the current Nominating Committee are pictured below left to right:
Terry Vernon, Christy Bauer, Midge Murphy, Lorelee Daily, Dana Singer, and Art Kaufman.

INTERFAITH JUSTICE ALLIANCE

The planning committee will meet on June 2, to debrief on this year's program, determine any follow up activities and discuss possible approaches for next year. Pastor Jean, Dineen Dowling and David Simpson are Faith's three representatives.

Through the 5 week series there were between 130 to 150 attendees at the various meetings. the last of which was structured around the controversial topic of abortion. The prompt statement for discussion and dialogue was "*Abortion makes sense in a lot of situations.*"

Participants first observed a dialogue among five participants, with audience participation, then continued conversations in smaller groups of six people. The dialogue revealed a range of positions on abortion:

1. **Strong Opposition:** Some participants expressed that life begins at conception and abortion ends a human life. Religious beliefs were frequently cited as the foundation for this position.
2. **Conditional Opposition:** Many participants who generally opposed abortion acknowledged exceptions for cases involving rape, medical necessity (mother's life at risk), or ectopic pregnancies.
3. **Undecided/Mixed Views:** Some participants expressed conflicting values, such as respecting both a woman's autonomy and religious teachings against ending life.
4. **Conditional Support:** Many participants supported access to abortion in certain circumstances, particularly for medical necessity, rape victims, and young victims of molestation.
5. **Strong Support:** Some participants firmly advocated for a woman's right to make decisions about her own body without explanation or interference.

In summary, this dialogue event revealed both deep divisions and surprising areas of potential common ground on the topic of abortion. While participants held fundamentally different views on when life begins and the moral status of abortion, they demonstrated the capacity for respectful engagement and recognition of the issue's complexity. The discussion highlighted how abortion connects to broader societal concerns about poverty, healthcare, education, and social support systems. Many participants, regardless of their position on abortion itself, expressed desire for a society that better supports women, children, and families. This suggests that while consensus on abortion itself may remain elusive, there may be opportunities for community collaboration on improving social conditions that affect reproductive decisions. The event demonstrated that even on deeply divisive topics, structured dialogue can create space for mutual understanding and identification of shared values.

A detailed report covering all aspects of the dialogue is posted on the outreach bulletin board and copies are available from the Outreach Coordinator.

However, it is important to recognize that the particular topic, in this case, abortion, **was not the primary focus of the program. It was, rather, utilized as a sample topic within which we were able to test out positive avenues for civil discussion about polarizing issues. It is hoped that the various strategies presented during the entire five - week series will be recalled and utilized going forward.**

FIRST SERVE - LUNCH AND LEARN BRINGS NORTH HILL PARTNERS TO THE TABLE

First Serve has initiated a new bi-monthly Lunch and Learn event series created for our North Hill Community Partners. Held at 915 North Main, the gatherings will bring together twenty dedicated partners for a meal, connection, and a shared purpose.

The featured first guest speaker was Jeff Incorvia from the City of Akron, who presented updates on the soon-to-open Paterson Park Community Center. His insights sparked great conversation and anticipation for what's to come in North Hill.

Lunch and Learn is more than just a meal - it's a chance to build relationships. In the spirit of First Serve's mission, the series offers a simple but powerful format: one hour, one featured partner, and one meaningful story of impact. Each session highlights the work being done in our neighborhood and encourages collaboration among those making a difference. As the series continues every other month, we look forward to deepening connections, celebrating our partners, and continuing to invest in the vibrant future of North Hill.

First Serve Community Partners are Akron Coop Farms, North Hill Community House, City of Akron, Akron Metropolitan Housing Authority, Grace House Akron, North Hill CDC, Akron Public Schools, Advantage Aging, United Way of Summit and Medina Counties, Trinity Clothing Ministry, Friends of Elizabeth Park. Past Event: AKRON HOSTS FREE AFTERNOON OF WASHING, DRYING AT LAUNDROMAT IN TUMBLE TOGETHER EVENT, AKRON

Beacon Journal article from May 15, 2025

The city of Akron will host a Tumble Together washing and drying event from 2 p.m. to 6 p.m. May 20. Free washing and drying for up to three loads of laundry per household will be available at Super Clean Laundromat, 1739 Brittain Road. The event is only for Akron residents. The city hosted three Tumble Together events in 2024, helping 97 families do over 300 loads of laundry, the mayor's office stated in a May 9 news release. In March 2025, the city hosted a wash day that helped over 63 families. The city's goal is to assist over 200 families this year with clean laundry. Mayor Shammias Malik said event feedback was positive and residents said they have a continued need for help. "When times are hard, clean laundry can sometimes become a luxury and we're proud to step in to help provide this small dignity to folks in need," Malik said in the news release. City representatives and volunteers will be on hand. Residents will be required to wash their own clothes. Detergent, dryer sheets and meals will also be provided for free. If you would like to volunteer or make donations to support these events, email Summer Hall at slhall@akronohio.gov.

MESSAGE FROM THE SHERIFF

Greetings!

I would like to invite you and your house of worship or organization to join us for our 5th annual Summit Faith & Blue, which will take place on Saturday, October 4th from 11 a.m.-2 p.m. at Hardesty Park in Akron.

The national Faith & Blue initiative is the largest community-law enforcement collaboration in history. The idea is simple but powerful: the ties that bind police and residents must be reinforced if we are to build neighborhoods where everyone feels safe and included. Faith-based organizations are key to building those bonds because they have the largest and most diverse reach.

I brought the Faith & Blue initiative to Summit County five years ago, and it has continued to evolve and expand with each passing year. Fun, family-friendly events, games, raffles, performances, and demos are planned throughout the day. Summit Faith & Blue is FREE and open to the public. Houses of worship, law enforcement agencies, and community organizations are invited to join us for this day of fun and fellowship.

The goal of Faith & Blue is to foster positive experiences between law enforcement and the community through the reach of communities of faith.

All support is appreciated!

*End of Year
Thank You's:*

Thanks to all donated to the Hair Cut Fundraiser! Your generous gifts totaled \$1151, so Dineen had 11.5 inches cut! She will donate her locks to "Children With Hair Loss".

Thank you to the Preschool Board: Carla Ringer, Cindy Boswell, Michelle Wolski, Debbie Gottas, Karen Skerlong, and Lori Ashenfelter for their time and dedication to the work of the preschool. They hosted a "Staff Luncheon" on May 21 to celebrate a successful school year.

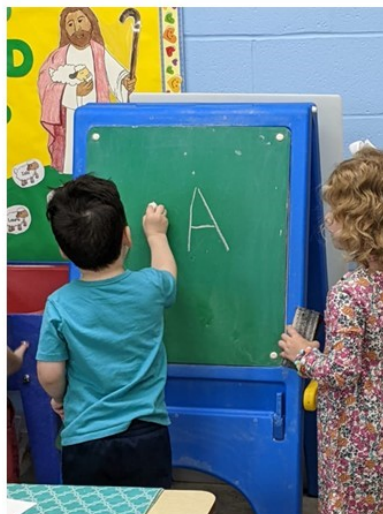

Whether you purchase from our fund-raisers, donate items or dollars to the preschool, support the teachers and staff, cheer on the children in the hallways, we appreciate YOU! These little ones are experiencing the goodness of God through the people and the place of Faith Lutheran Church. You are a blessing to them and me! - Dineen

2024-2025 staff, students, and families celebrated the end of another successful year with a field trip to the Akron Zoo. Their "Dino Trek" exhibit was a big hit!

During the summer months, the sound of children in the building diminishes (except for the week of VBS!), but preschool work is still getting done!

Classrooms will receive a deep cleaning. After VBS, carpets will be cleaned. A Fire Inspection will be scheduled. Mailings will be prepared and sent to next year's incoming families. Teacher trainings will happen. Rest and recharging for staff will occur in the midst of all that for another exciting year of learning! August brings Staff meetings, Open Houses, and Orientations for families. 2025-2026 promises to be an exciting year!

If you know anyone with a preschool age child, please refer them to Faith Preschool!

We have spots available in our MWF Threes Class and our Mom, Dad & Me Class for 2 Year Olds (with a caregiver). This class, taught by Amanda Hyter, is a great introduction to the preschool setting! We are currently enrolling Monday and Friday Classes and will open up a Wednesday Class if there is enough interest!
